About Us

MERAKI, the most trusted brand in India for Interior & Exterior Products, started this journey in 2015 with the manufacturing of PVC Laminates as "the First Indian Manufacturer" and within a short span of time, MERAKI proved its success with the introduction of excellent range of various Innovative Products.

MERAKI, along with MAKE IN INDIA 'Leader' in various industries like PVC LAMINATES, ACRYLIC LAMINATES, INTERIOR & EXTERIOR LOUVERS, EDGE BAND TAPES, Now started a new venture of manufacturing SOFFIT PANELS for becoming a one-stop solution for your all interior and exterior needs.

MERAKI SOFFIT PANELS are elegantly & uniquely designed keeping in mind the premium needs of Builders, Smart Architects and End Users. With State-of-the-Art German Manufacturing technology, it is the first choice of Home Owners, Builders, Architects and Interior Designers when it comes to transforming Residential and Commercial Balconies and Indoor Spaces.

MERAKI GROUP is the most trusted name amongst manufacturers of Building Materials. We are operational from Sonipat, Haryana since 2015.

Manufacturing

Soffit panel manufacturing is a specialized process focused on producing high-performance panels that protect and enhance the underside of roofs, balconies, canopies, and exterior projections. Designed to combine functionality with refined aesthetics, these panels offer structural support, controlled ventilation, and long-term durability.

TONGUE & GROOVE INTERLOCKING

Tongue & Groove interlocking is a precision-engineered joining system where a protruding “tongue” edge seamlessly fits into a corresponding “groove” channel. This smart mechanism locks panels firmly together, ensuring perfect alignment, enhanced stability, and a smooth, gap-free finish.
